Dear dr Cvečić,

I hope this message finds you well.

I am writing to kindly ask whether you would be interested in a potential teaching collaboration at the Wroclaw University of Economics and Business. We are currently looking for a lecturer to conduct the course “European Integration”, which includes two workshop groups as well as a lecture.

Your contact was kindly recommended to me by Dr Magdalena Myszkowska, who spoke very highly of your professional expertise and previous collaboration.

Given your academic background and experience, I believe you would be an excellent fit for this course.

Could you please let me know if you would be interested in such cooperation? I would be happy to provide any further information regarding the schedule and organisational details.

With kind regards,

dr Marcin Majewski

Poštovani,

Prilažem dopise sa (1) zamolbom za suglasnost za vanjski angažman, te (2) zamolbom za ERASMUS mobilnost.

Pored dopisa vezanog za angažman na Ekonomskom sveučilištu u Wrocławu za kolegij **European Integration** u akademskoj godini 2025/2026, prilažem mail v.d. voditelja programa (3) i podsjećam kako već postoji Vaša suglasnost za izvođenje drugoga kolegija (Contract in International Trade), koji se izvodi u istome razdoblju. Stoga ne postoji bojazan za neizvršavanje nastavnih i drugih obveza prema našem Fakultetu.

Molio bih da mi se eventualne suglasnosti za ove moje molbe izdaju zasebno (suglasnost za mobilnost i suglasnost za izvođenje kolegija Eur.Integration).

Stojim na raspolaganju radi eventualnih nejasnoća.

Srdačan pozdrav,
Igor Cvečić
