YOUR COMPANY

POLOPLAST, part of Wietersdorfer Group, develops and produces high-performance plastic pipe systems. Their excellence stems from decades of experience in multi-layer technology. POLOPLAST excels in Austria and Germany, with significant sales in Italy, France, and the Nordic countries. Your base will be at the POLOPLAST headquarters in Leonding, Austria, which also houses the highly automated production site.

The Austrian Wietersdorfer Group is an international industrial company in the building materials and piping sectors. Its business areas include cement & concrete, lime, industrial minerals, GRP, and thermoplastic piping systems. With its subsidiaries Alpacem, InterCal, Amiblu, HOBAS, O-Tek, POLOPLAST and Calcit and its participations, the family group operates in 30 countries.
